3 Description

(i) **About the Company** Geojit Financial Services (www.geojit.com) is one of the leading investment services companies in India, with a strong presence in the GCC. It has around 12.8 lakh clients, a network of 500 offices and has Assets Under Custody and Management worth of Rs. 64,500 crore as on 31.03.2023 BNP Paribas, C J George - Founder and Managing Director of Geojit, Kerala State Industrial Development Corporation (KSIDC) and Rekha Rakesh Jhunjhunwala are the prominent shareholders of the company.

Geojit Financial Services has an extensive presence in the GCC region via joint ventures and partnerships: Barjeel Geojit Financial Services LLC in UAE, BBK Geojit Securities KSC, in Kuwait and QBG Geojit Securities LLC in Oman. The company also has a presence in Bahrain through a business partnership with Bank of Bahrain and Kuwait.

Evolution of the company

It all started in the year 1987 when Mr. C. J. George and Mr. Ranajit Kanjilal founded Geojit as a partnership firm. In 1993, Mr. Ranjit Kanjilal retired from the firm and Geojit became the proprietary concern of Mr. C.J. George. In 1994, it became a Public Limited Company named Geojit Securities Limited. The Kerala State Industrial Development Corporation Ltd. (KSIDC), in 1995, became a co-promoter of Geojit by acquiring a 24 percent stake in the company, the only instance in India even today, of a government entity-participating in the equity of a stock broking company. The year 1995 also saw Geojit being listed on the leading regional stock exchanges. Geojit listed at BSE in the year 2000. The company's wholly owned subsidiary, Geojit Commodities Limited, launched Online Futures Trading in agri-commodities, precious metals and energy futures on multiple commodity exchanges in 2003.

This was also the year when the company was renamed as Geojit Financial Services Ltd. (GFSL). With effect from July 2005, the company is also listed at The National Stock Exchange (NSE). On December 31, 2007, the company closed its commodities business and surrendered its membership in the various commodity exchanges held by Geojit Commodities Ltd. Global banking major BNP Paribas took a stake in the year 2007 to become the single largest shareholder. Consequently, Geojit Financial Services Limited was renamed Geojit BNP Paribas Financial Services Ltd. In 2017, following a mutually agreed upon change in the shareholder agreement, Geojit reverted to its earlier name of Geojit Financial Services Limited. The Board consists of professional directors; including a Kerala Government nominee. The Company is a charter member of the Financial Planning Standards Board of India and is one of the largest Depository Participant (DP) brokers in the country.

5 Services Offered

(i) Investment Objective

The investment objective to the portfolio manager shall be to endeavor to provide the client with an investment structure for the purpose of preservation and growth of the client's capital, while striving to reduce the risk of capital loss. Our Portfolio strategies endeavors to generate relatively outsize returns by creating Benchmark Agnostic Concentrated portfolios of Quality stocks, based on fundamental research driven Bottom Up stock picking.

Advantage Portfolio: Positioned to invest predominantly in equities of mid cap & Small cap companies. The fund will normally invest in stocks of Mid cap & Small cap companies having soundtrack record, quality management, earnings and growth potential, strong fundamentals.

Freedom Portfolio: To invest across a wide gamut of fundamentally strong business in the large cap, mid cap, and small cap stocks. To identify mispriced stocks with high growth potential and available at reasonable valuations.

Dakshin Portfolio: A Multi cap Portfolio of 25 High Quality companies headquartered in 5 South Indian States. This is an equally weighted portfolio and will have only stocks with full market capitalization of less than 50,000 Crores. Dakshin Portfolio is a Passive Portfolio based on the custom index - MSCI South India Domestic High Quality 25 Index constructed by MSCI for Geojit Financial Services Ltd.

Ethical Portfolio: Ethical Portfolio is designed exclusively for clients preferring to invest in Shariah complied stocks. Ethical Portfolio is created by Geojit Financial Services Limited (Geojit) in association with Taqwaa Advisory and Shariah Investment Solutions. Shariah stocks are selected from the list of stocks provided by TISIS. Geojit apply few quality parameters to identify the stocks which has potential to outperform on a long-term basis. Importantly, the focus will be on upcoming new sectors & reforms undertaken in the economy.

(ii) Type of investable securities

Subject to the regulation, the portfolio manager shall invest the Funds in Securities, capital and money market instruments or in fixed income securities or variable securities of any description.

(iii) Basis of selection of securities

Our Stock Selection is based on a rigorous Bottom-up Investing Process driven by Fundamental Research and overlaid with a Top-Down macro view. We screen stocks against a Quantitative and Qualitative internal framework. In Quantitative screening, we use metrics like High Growth, High ROCE, High Cash Flow Conversion and Low Leverage. In Qualitative screening, we assess companies based on their Corporate Governance practices, Promoter Track Record and Promoter Share Pledges. Finally, we use a Valuation Process that includes a blend of science and art, to shortlist stocks that offer not only a high return potential but also a reasonable margin of safety.

(iv) Allocation across selection of securities

Of the total Scheme corpus, not more than 10% will be invested in a single stock and not more than 20% will be invested in a single sector at the time of initiation. Upon passive breaches, the stock weight can move up to 15% and sector weight can move up to 30%

(v) Appropriate benchmark for each approach and the basis for choice of benchmark.

Scheme performance will be evaluated against a pre-identified Benchmark Index. An appropriate Benchmark will be selected that is consistent with the Investment Style and Scheme Category in terms of Market Capitalization i.e., either a Large Cap, Mid Cap, Small Cap or Multi Cap specific Benchmark Index. Advantage portfolio is bench marked with Nifty midcap 100. Freedom Portfolio and Dakshin Portfolio is bench marked with Nifty 500. Geojit Ethical Portfolio is bench marked with Nifty 50 Shariah

(vi) Indication of tenure of investment horizon

Ideal investment horizon is at least 3 to 5 years.

(vii) Risks associated with the investment approach.

We follow a concentrated portfolio approach to generate comparatively higher returns, but which can also lead to higher risk and volatility in returns. We follow a Buy and Hold approach that may underperform the Benchmark in the short term or during times of higher volatility. Some Market Capitalization based categories may underperform the broader market in the short to medium term.

(viii) Features

Portfolio may comprise of shares, bonds, mutual funds and cash in accordance with an agreed strategy with the portfolio manager and client. A dedicated, qualified portfolio manager is assigned. The portfolio manager has discretion to make investment decisions on the client's behalf.

(ix) Benefits

- Potential of long-term capital growth.
- Portfolio manager takes full charge of investment decisions.
- Ensures efficient management and swift reaction as circumstances dictate.
- Regular reports are provided.

(x) Eligibility

- Initial investment of Rs. 25,00,000 was enhanced to Rs.50, 00, 000/- (from 16th January 2020) for each account for residents and NRI.

6. Risk Factors

The following are the risk factors as perceived by the management:

- (i) The PMS will be implemented strictly in accordance with SEBI (Portfolio Managers) Rules and Regulations, 2020. Investors are requested to familiarize themselves with these regulations.
- (ii) Securities investments are subject to a wide range of market risks, which may lead to an unpredictable loss in value of the Assets, which may extend to a total loss of value of the Assets.
- (iii) The Portfolio Manager does not guarantee or assure the client of the value of or returns on the Assets, in any manner whatsoever. The value of the Portfolio may depreciate to an unpredictable extent.
- (iv) The past performance of the portfolio manager, promoters or Directors is not indicative of and does not guarantee future performance of individual portfolios.
- (v) The performance of individual portfolios may be affected by changes in Government policies, general levels of interest rates and risks associated with trading volumes, liquidity and settlement systems in equity and debt markets.
- (vi) Investments in debt instruments are subject to default risk and interest rate risk. Interest rate risk results from changes in demand and supply for money and other macro-economic factors and creates price changes in the value of the debt instruments. Consequently, the NAV of the portfolio may be subject to fluctuation.
- (vii) Investments in debt instruments are subject to re-investment risks as interest rates prevailing in interest or maturity due dates may differ from the original coupon of the bond, which may result in the proceeds being invested at a lower rate.
- (viii) The Portfolio Manager has a track record of more than 19 years.

Geojit will not invest PMS funds in its subsidiary or associate companies. The investment of PMS funds will not be made in derivative products. In the event of deciding to invest PMS funds in derivative products; necessary disclosures shall be made in the Disclosure Document.

There are no Audit Observations concerning the compliance with PMS regulations and guidelines issued there under for last three years.

11. Nature of Expenses

GFSL offers below given fee structures to the investors to choose from:

Option 1 - Flat fee of 3% p.a. charged on a quarterly basis on the average of the beginning and ending NAV.

Option 2 - Flat fee of 2 % p.a. charged on a quarterly basis on the average of the beginning and ending NAV. An additional performance fee @ 20% is charged on gain in NAV over and above 15% p.a. This is based on the high watermark concept charged at the end of the year or on withdrawal.

Option 3 - Flat fee of 1 % p.a. charged on a quarterly basis on the average of the beginning and ending NAV. An additional performance fee @ 20% is charged on gain in NAV over and above 10% p.a. This is based on the high watermark concept charged at the end of the year or on withdrawal.

Existing clients who have completed 1 year can move to the new fee structure at the beginning of any quarter or after charging performance fee for clients who have opted fee option 2 and 3. New clients can change their fee structure only after the completion of 1 year

Exit Load

Any withdrawal from PMS within a period of 1 year after investment will have an exit load of 1% and 2% for clients opening PMS through Joint Ventures.

Transaction Cost

0.10 percent brokerage to Resident clients and 0.25 percent brokerage to NRI clients are charged on every transaction. The Buy/Sell prices are shown net of cost. **With effect from October 1, 2020 this transaction cost has been abolished**

Operational Cost

With effect from November 1, 2020 an operating expense of 0.10 per cent per annum (0.025% every quarter) is charged for all clients on the average value of their portfolio.

12. Tax provisions

Geojit will not deduct tax on the capital gains generated out of the investment made in the Portfolio Management Scheme under resident status; this will be subject to any of the provisions of the Income Tax Act, 1961 or the Finance Bill, as applicable. Geojit shall provide adequate statements to the clients for accounting purpose. However, Tax is deducted at source for Non-resident clients as below:

- For **Non-Resident** clients with PIS Account, the **capital gains tax is deducted at source by the bank.**
- For **NRO Clients not having PIS account**, the **capital gains tax is deducted at source by GFSL."**

13. Accounting policies

Profit or loss on sale of investment is calculated by using the 'first in first out' method.

14. Investments under the Portfolio Management Scheme
