

We would like to alert you that messages representing Geojit, offering stock/commodity recommendations, portfolio management services in commodities etc., are being falsely circulated. In view of this, we advise you to exercise due caution and verify the authenticity of any recommendations received by you via SMS/ E-mail/ social media, before you act.

All SMS/email stock recommendations and reports sent by Geojit can be verified by visiting our trading and investing platform - Selfie. We would also like to inform that we do not offer any portfolio management services in commodities or its derivatives.
